REFERRAL PARTNER AGREEMENT

Cradero CMMS

Revenue Share Partnership Programme

March 2026 — v1.0

CONFIDENTIAL — FOR INTENDED RECIPIENT ONLY

1 Introduction

This document outlines the terms of a **Referral Partner Agreement** between **Cradero** ("the Company") and the undersigned referral partner ("the Partner") for the purpose of client acquisition and revenue sharing.

Cradero is a cloud-based **Computerised Maintenance Management System (CMMS)** designed for manufacturing, facilities management, and industrial maintenance teams. The Partner will identify, introduce, and help onboard prospective clients in exchange for an ongoing revenue share.

> **Key Principle:** The Partner earns a recurring commission for every client they bring on board, for as long as that client remains an active paying subscriber. This is not a one-time referral fee — it is an ongoing revenue share that rewards long-term partnership.

2 Product Pricing

Cradero is offered as a SaaS subscription with two tiers, priced per user per month:

ESSENTIAL

£19 /user/month

or £15/user/month billed annually

Your Commission (40%)

£7.60 /user/month

PRO

£39 /user/month

or £32/user/month billed annually

Your Commission (40%)

£15.60 /user/month

Commission is calculated on the **actual collected revenue** from each client, not the list price. If a client is on an annual plan, commission is paid monthly based on the effective monthly rate.

3 Revenue Share Structure

Item	Detail
Commission Rate	40% of collected monthly revenue per referred client
Duration	Recurring — paid for the lifetime of the client's active subscription
Payment Frequency	Monthly, within 14 days of the end of each calendar month
Payment Method	Bank transfer (details to be provided by Partner)
Minimum Payout	£50 — balances below this roll over to the following month
Attribution Window	90 days from initial introduction to signed subscription

> **Example:** You refer a manufacturing company with 8 engineers who sign up for the Pro plan at £39/user/month.
>
> Monthly revenue = 8 × £39 = **£312**
>
> Your monthly commission = £312 × 40% = **£124.80/month, every month.**

4 Earning Potential

The following illustrates potential monthly earnings based on the number of active referred clients:

Clients Referred	Avg Users/Client	Plan	Monthly Revenue	Your 40% Share
10	3	Essential	£570	**£228**
10	5	Pro	£1,950	**£780**
25	5	Mixed	£3,625	**£1,450**
50	5	Pro	£9,750	**£3,900**
100	5	Pro	£19,500	**£7,800**

10 PRO CLIENTS
£780
per month

50 PRO CLIENTS
£3,900
per month

100 PRO CLIENTS
£7,800
per month

Commissions are **recurring**. Once a client is onboarded, you continue earning every month without additional work. Revenue compounds as you add more clients.

- If a referred client was already in active discussion with Cradero prior to the Partner's introduction, attribution will not apply — disputes will be resolved in good faith
